**Subject:** Participation of the University of Florence in the European Consortium coordinated by the EuroMediterranean Progressive Policy Institute (EMPPI)

Dear Prof. Dr. Roman Reyes,

We thank you for having invited the University of Florence to take part in the European Consortium coordinated by the EuroMediterranean Progressive Policy Institute (EMPPI) and we are very pleased and interested to respond affirmatively to this invitation.

We feel particularly honoured to join a network of prestigious academic institutions and we expect EMPPI can be soon recognised as a Centre of Excellence within the Jean Monnet Action by the European Commission.

Sincerely yours,

The Rector
