Dear General Secretary,

UNICA (Network of Universities from the Capitals of Europe) would like to support the candidacy of the "Euro-Mediterranean University Institute (EMUI)" to be acknowledged as a Euro Med University by the Union for the Mediterranean.

The team in charge of the project is directed by Prof. Román Reyes, Professor of Social and Juridical Sciences at Universidad Complutense de Madrid, chief editor of the international magazine of Social Sciences: "Nomads. Mediterranean Perspectives." The team consists of well-known professionals in the field of Social Sciences belonging to different European universities, and who support the EMUI Consortium.

If the request is approved and the funding is granted, UNICA is willing to cooperate with the team and remains open to participate in its projects, both at the institutional and scientific level.

Sincerely yours,

Kris Dejonckheere  
UNICA Secretary General
